

A magical, medieval venue
for a memorable event

14 ELY PLACE HOLBORN LONDON EC1N 6RY

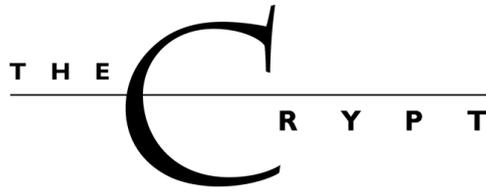

THE CRYPT

The magical medieval 12th century Crypt in Ely Place, scene of the three-day wedding feast in 1509 to celebrate the wedding of King Henry VIII and Catherine of Aragon, is the perfect setting for your wedding: romantic and historic. It sits below the beautiful church of St. Etheldreda, once part of the palace of the Bishops of Ely. The impeccable food service at The Crypt is provided by the famed Bleeding Heart Restaurant next door.

The Crypt can comfortably accommodate 120 guests seated. It is conveniently located off Holborn Circus, midway between the West End and The City of London.
